# APRIL NEWS

Grade 5-8  
Mr. Dodds

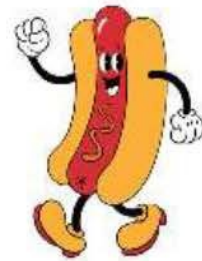

## ACADEMICS

Grades 5-8 are one month into Term 3. So far this term, the students have built lungs in a bottle and human statues out of sticky tape. They are currently learning about optics in Science and are in the middle of investigating Ancient Greece. Math scores have remained strong, and we hope to continue this for the rest of the term.

## UPCOMING

On Saturday, May 11th, Garage Day, the PES Grade 5-8 class will hold a hot dog BBQ to raise funds for our end-of-year overnight campout trip. We hope to see you there!

## ETC.

It was great meeting most of you during the parent/teacher meetings for Term 2. Please feel free to reach out to me at: [Mark.dodds@pcsdonline.ca](mailto:Mark.dodds@pcsdonline.ca)

## EARTH DAY

On Monday, April 22nd, Grades 5-8 students participated in Earth Day and cleaned up garbage on some streets and the Plumas highway.

## K-2 Newsletter May

It is hard to believe that there are only two months of school left!! Since spring break the K-2's have been hard at work becoming amazing readers and writers. In math, we have been focusing on patterns and addition. We took a trip to Gladstone to participate in the Speech and Arts Festival. Both groups did a great job and everyone was a super respectful audience. We are looking forward to spending more time outside learning in the next two months.

### Badminton

Students on the badminton team had a very successful divisional tournament in MacGregor on Friday, April 26th. Cassy Purkess and Catelyn Single took first place in girls doubles. Khath Espera was the runner-up in girls singles. Dylan Menzie made playoffs but unfortunately lost a very close quarter final matchup. Archer Barron, James Kawohl, Nolan Stanley and Ella Bulas all represented PES well and showed strong sportsmanship throughout the tournament. Congratulations to everyone involved!

# PLEASE JOIN US FOR AN INFORMATION EVENING
